Staff are here to provide leadership to the programs. They are unable to provide attendant care (feeding, transferring, toileting, etc) or one-on-one behavior management care. Participants must bring their own attendant if they are needed. Participant attendants will not be charged for the class, however, we ask that you call our offices at 425-556-2300 x 3 and register them as the participant's attendant so that we do not overbook the class. Should any participant behave in a manner that threatens the safety of the staff, fellow participants or themselves, they may be immediately dismissed from the program.
